

TESTIMONIES (NOV. 2020)

1. **MIRACLE JOB VIA KINGDOM ADVANCEMENT ENGAGEMENTS.**

Breaking Limits! I was unemployed since March 2020 just at the beginning of lockdown. I applied for several jobs without success. It had become really difficult for me financially since here in Dubai nothing is free. I listened to the different testimonies and I said to God "when will my miracle job locate me". I had made specific requests to God for my next job: a job that will allow me to continue to serve Him; 2 days off; good salary higher than my old salary. I began to pray rigorously for the advancement of the kingdom, going for evangelism, to continue to serve God in His House and it became a priority for me every day.

I connected to the Showers of Blessings service. I received a message from a company I applied to days ago that I had been chosen. The same morning, I had an online training with the company which I successfully validated and after I signed my international work contract because the company is not based here in the Emirates with a salary beyond my previous job and breath-taking commission. I work from home on my laptop. I have come to give all the glory to the God who does not lie because everything He does for one, He does for all, He surprised me beyond my expectation.

I give Him glory and worship in the Mighty and Precious name of Jesus Christ. – **Sis Amina (WCI Dubai)**

2. **THE GATES ARE OPEN!**

I give God all the glory for his goodness. During the time we were preparing for the choir concert that was held last month, the National Pastor said there's going to be an opening of gates of supernatural favour, immediately I keyed into the prophecy as we were having rehearsal towards the program I kept unto that word. During this period, my visa had expired and there was a ban on Nigerian Visas, I had no plans to renew my contract with my company. I got a call from a company I applied to for an interview, I passed the interview but Nigerian visa was still banned and there was nothing I could do, yet I believed God will perform a miracle. On the 6th of October, I got a call from that company telling me to proceed with my cancellation process in my company that they can now process my visa, I got the offer letter and on 26th October, my employment visa was issued. To God be the glory. –

3. **HEALED OF COVID - 19!**

I have come to give thanks to God for His faithfulness in my life all through the month of October. I tested positive for covid19- so I had to stop work. It was really a trying time for me; I was sick and everything around me was threatened – my job and most especially my faith because fear suddenly became the real sickness. I knew all that came in at once were too much for me to handle hence, I called on God to see me through. I told Pastor Sobowale all about it and He prayed and said to me 7 times you will come out without a scratch. I jumped and believed, clinging to the word then started using my Anointing oil and Communion, on the third day of my quarantine, I was back on my feet but couldn't resume work. Within my stay at home, God opened a way for me to write and pay for an exam that had been difficult for me to write for long, it was a miracle like God stationed everything just for me to relax and also write this exam that I dreaded so much according to Romans 8:28. Today I passed my exams and I'm back to work with no scratch I give God all the praise. – **Sister Christie (WCI Dubai)**

4. **UNEXPECTED SALARY INCREASE**

Glory be to God! I want to give thanks to God for His divine favour, my boss increased my salary unexpectedly starting from October, which I collected the first payment on November 2nd. I just want to say thank you Almighty God for His favour over me. Glory be to God in the Highest. – **Bro Babafemi**

5. **PEOPLE WANT TO SERVE MY GOD!**

Breaking limit greetings church. I want to bless the name of God for his faithfulness and loving kindness over my life and my family. God added a year to me in the month of October and secondly, God vindicated me and made people to tell me they want to serve my God. On the 8th of September 2020, my previous job terminated my appointment and gave me a -1month notice. I was supposed to finish the -1month notice on the 8th of October and God showed up and gave me a new job to resume on the 4th of October. When I told my colleagues at the old job that I had gotten another job, they were shocked and one of the ladies said she has to serve my God that answers me speedily. God is really faithful. – **Sister O (WCI Dubai)**

6. **CAREER BREAKTHROUGH!**

During this pandemic, the month of June to be precise, I received an email at my place of work to put a signature on my contract for renewal which I did. In September, I received another email asking me to sign the contract again because the first one had been rejected, it also stated that if it is rejected for the second time, I will be laid off my job. I declared immediately that it would be approved.

I got home that same day told my husband about it, we praised, prayed Kingdom Advancement Prayers and also reminded God that I am a tither and that I cannot lose my job.

In the month of October, I went back to the office and was told the contract had been approved.

I have come to return all the Glory to the God of this Commission for his Faithfulness and Restoring my Job. – **Christiana Oji (WCI RAK - Children Department)**

7. **BREAKING LIMITS BREAKTHROUGH.**

Breaking Limits Greetings. I have come to return all the Praise and Glory to Our God who does great Wonders. I first of all thank God for bringing me back safely to Dubai after Months. All through this period and always, God protected me and my entire family. Secondly, on the 18th of November, Winners' Chapel was planted in my village – meaning Light has finally taken Over, no more darkness. Thirdly, I joined the Prayer Raid and decided to focus on Kingdom Advancement Prayers, I knew God will perfect that which concerns me. The same 18th of November, my husband's company in Mozambique got their first job from one of the major oil companies there. I have returned to give God all the Praise. He is truly a Prayer Answering God. Thank you, Jesus. – **Sis Victoria Orim (WCI Dubai)**
